### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Lemire on August 20, 2004.

The application has been amended as follows:

Claim 2 has been canceled.

1. An improved picture display device ~~composing~~ comprising  
a flexible cord forming a plurality of adjustable interconnected hanging loops for slidingly engaging a double hook-easel, ~~affixed to a wall the picture display device has~~  
a picture back ~~configured to be attached to the picture display device~~, said back having a series of apertures there-through in which the flexible cord is threaded, said cord being affixed to the back at at least one end thereof and forming the adjustable loops between pairs of adjacent apertures such that the loops are used for engaging the double hook-easel when affixed to a wall-;

the double hook-easel is configured to be removably attached to the picture back to form an easel flap for holding the picture display device in an upright orientation on a horizontal surface and to be removably attached to a wall to form a hanger for engaging the loops for hanging the picture display device therefrom.

3. The picture display device of claim 2 1, wherein the ~~combined~~ double hook-easel and easel flap has an recess or aperture for securing the display device on a the horizontal surface.

4. The ~~double hook and easel back~~ picture display device of claim 2 1 wherein it the double hook-easel is configured to have slots for affixing it to a wall using fasteners, thereby providing a ~~measure of~~ means for horizontal positioning.

5. The picture display device of claim 1, wherein the back is configured to have a means for inserting and removing a picture without removing the back.

2. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach nor suggest a picture display device comprising a back with a cord forming a plurality of loops and an double hook-easel member attachable to the back to form a easel flap and attachable to a wall so that the device can be hung from the loops on the back.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
